CITY ADMINISTRATIVE ORDINANCE IN PROGRESS

Report On Cambrian Annexation To San Jose Cites Many Negative Factors

Cambrian Park Improvement League Discusses Annexation To San Jose

Cambrian Park Improvement Club met for their first formal meeting in the auditorium of Cambrian School Tuesday night to hear a talk by Charles K. Gamble, new mayor of Los Gatos, and to determine the advantages and disadvantages of annexation by the city of San Jose.

Approximately 200 Cambrian residents listened to Gamble emphasize that Los Gatos had no "shotgun" annexation plans toward the Cambrian district, but said he felt that people living on the fringes of cities are "parasites" and that they shirk their civic responsibilities by taking advantage of city facilities without contributing to their support.

Gamble also said he felt that in a reasonably short time there would be no more isolated tracts in the area—that eventually they would annex or incorporate.

Gamble said there was a possibility that Blossom Hill may annex to Los Gatos, which would bring Los Gatos boundaries closer to Cambrian.

The business meeting of the Cambrian Improvement League, conducted by president James Bradock, personnel manager of the Fiberglas Company, Santa Clara, was concerned with a report submitted by Engineer William Gray concerning advantages and disadvantages of annexation to San Jose.

The report emphasized that annexation to San Jose would not be advisable at this time for the following reasons:

1. Taxes would increase 24.9 per cent. For the average Cambrian Park home owner, whose home is assessed at $2750, the increase in taxes would be $38.64 per year, or $3.22 per month.

2. Annexation would mean the loss of elementary and high school which are now being proposed for the Cambrian Park area.

3. With annexation costs of sidewalks, sewers, and paved streets for the average homeowner having a lot 75 feet wide, the costs would amount to $825.00; $105 for sidewalks, $225 for sewers, and $495 for paved streets.

4. San Jose would have option to condemn septic tanks and force Cambrian to put in sewers and paving.

5. Present fire station directly across from the Cambrian elementary school with 19 pieces of equipment equipped with three-way radio, could not be used with annexation. The nearest fire station in San Jose would be at Willow Glen, at 1161 Minnesota Street.

The Gray report concluded by saying, "In our case, by annexation, with city taxes, sidewalks, sewers and paving, our house payments would be increased from $63 to $90 per month, and we would be without adequate fire protection or schools or buses for our children."

Alta Ruth Crose Wins VFW Essay

Miss Alta Ruth Crose's essay, "America Is Everybody's Business," won first place award in the Lt. Byron Lanphear Auxiliary, Veteran's of Foreign Wars contest held at Campbell Union High school. Second place honors went to Pat Taylor. Consuelo C. Ford won third, while Catherine Akiyama won honorable mention in the contest sponsored by Veterans of Foreign Wars auxiliaries all through the United States.

ALTA RUTH CROSE
. . . Tops 12th District

Miss Crose, besides her $15 cash award, won first place honors in the 12th district contest, and her essay is now in competition at the Department of California.

The local essay awards will be made at the High School Award Assembly May 20 by Mrs. Russell Sargent, Sr., of the Lt. Byron C. Lanphear Auxiliary.

The 12th district award will be made at the district meeting Sunday, May 11 at the Veterans building, San Jose.

Judges for the local contest consisted of Mrs. Corwin Olds, Mrs. Frances Falgatter and Mrs. Dorothy Bachmann.

ENTERTAINS AT LUNCHEON

CHANGE OF OPERATION OR PERSONNEL IN SANITATION DISTRICT NO. 4 MAY PROVE DISASTROUS TO CAMPBELL DISTRICT

Results of recent meetings indicate it may be the intention of the Board of Directors of Santa Clara County Sanitation District No. 4 to enter the engineering business by dismissing their consulting engineer and employing a full-time district engineer-manager. This also appears to be the opening wedge for **consolidating operations of all sewerage facilities in county areas into one central office.** That this may be a motivating factor is further indicated by a recent joint meeting held by the boards of District 2 and 4 at the request of Supervisor Joseph M. McKinnon, a member of District 4 board.

This exploratory meeting developed the fact that the diversity of interests and problems of the two districts would make such consolidation undesirable for some time. However, competent observers are certain that should McKinnon have his way in the matter, Districts 2 and 4, and in fact District 8 as well as any new district that may in the future be formed in the Western part of the county will eventually be collectively serviced, administered and maintained through a central office in San Jose.

The people of Campbell went to the polls March 11 of this year to express their disapproval of centralized government. By voting for self-government, they have indicated that local control is still a cherished part of the American way of life, and that they want no part of centralized power. Supervisor McKinnon, in his zeal for the welfare of his wide district, is perhaps overlooking the fact that the people who foot the bills of District 4 might like something to say concerning the operation of the district.

Statements made with respect to the present district engineer, who has also served without pay as district manager, do not reflect the opinion of the entire board, according to one of its members. In any event, we do not believe that any useful purpose can be served by a member of the board fostering distrust in the public mind during the time a matter is merely under discussion by the board. Such tactics may inevitably jeopardize any further construction program which the board may undertake.

For the district to prepare plans and specifications for collection sewers would necessitate employment of field survey men and draftsmen. It would also mean that the district engineer-manager must in effect, be qualified to practice as a consulting engineer if construction of such sewers is to be planned to fit into an ultimate master plan, which at the same time must be provided on an economical basis. At the time of formation of the district, promises were made that in every possible manner all costs would be based upon the benefits received. Unless the district has a great volume of construction, it cannot, therefore, afford to retain the services of a man who would require such a high rate of pay.

The District has a contract with its present consulting engineer calling for fees for planning of collection sewers in accordance with the schedules set forth by the American Society of Civil Engineers, which fees are substantially the same as the fees charged for similar work by the engineer of District No. 2, which appears to refute unfavorable inferences released as a result of recent meetings of the board of District 4.

In the face of these facts, we feel that any change in the operation or personnel of District 4 at this time would be very undesirable.

C of C ELECTS NEW OFFICERS; TAKE OFFICE MAY 28

Mario Saia was elected new president of Campbell Chamber of Commerce after the ballot count last Monday night.

Joe Agostinho is new vice-president and Arthur Mayo will be treasurer. Dave Ribble and Dr. Robert Jasmine have been elected directors for the coming year.

New officers will be installed at a dinner at Campbell Union High school cafeteria, Wednesday, May 28, at 7 p.m.

Oliver Jensen was judge of the election count and Ted Solari and L. W. Harmon were tellers.

A committee was appointed to take charge of arrangements for the installation dinner headed by Lester Harmon and assisted by Art Mayo, Jack Payne, and Harold Estensen.

Installation dinner tickets will go on sale May 20 and may be purchased from the following merchants: Jeffers Men and Boys' Wear, Campbell Hardware, Campbell Realty, Agostinho Realty, and Bud's Texaco Service Station.

PEERLESS RIDERS AFOOT TODAY DUE TO BUS STRIKE

Regular Campbell riders of the Peerless stage bus lines to San Jose and other points are afoot today, the result of a walkout of Peerless drivers at midnight last night because demands for a 40-hour work week and other benefits have not been met. The action was taken by members of the Motor Coach Employees Union (AFL) at a meeting last week in Centerville. The union contract with the firm expired at that time.

Robert M. Bartholdi, Peerless manager, states that the company has offered a straight 4.6 cent across the board increase or the alternative to wait for conditions to be reached in an agreement to be set by the striking Greyhound drivers and to accept that settled increase. Greyhound drivers have been on strike over two months and demand a 40-hour week with no reduction in pay. The work week had been 48 hours.

Affected by the strike will be Charles Shaw, owner of the Blue Bell Cafe on E. Campbell Ave., who is ticket agent for the Peerless Company in Campbell.

Elementary School District Election To Be Held May 16

Annual election for members of the board of trustees of the Campbell Union Elementary School District will be held on May 16, to elect one member.

Polling places are Campbell Elementary school, precinct Number One; Moorpark School, precinct number two. Polling place for precinct number three, which includes San Tomas 1,2; Farwell; Vineland 1, 5, 6, 7, 8, 9, and 10 will be at the San Tomas school.

Polls will be open between 7 a.m. and 7 p.m. on election day.

Election returns will be canvassed at 1 p.m., May 23, 1952.

Mrs. Arva M. Knowles, Mrs. Marguerite M. Davis, and Mrs. Yvonne Binley have been appointed officers to conduct the election in precinct number one.

Mrs. Helen S. Andres, Mrs. Olga M. Womer, and Mrs. Lorraine Overacker will conduct the election in precinct number two.

Mrs. John Perata, Mrs. Ethelda Minehart and Mrs. Marie Balgooyen are appointed election officers in precinct number three.

COUNCIL TO ADOPT ADMINISTRATIVE ORDINANCE; SETS HEARING DATE FOR BUILDING, USE PERMITS FOR MAY 26

City Council gave first reading Monday night to an 18-page administrative code, which outlines city departments and rules and regulations of city operation. Council also set date of hearing on building and use permits received at last meeting for May 26. The code will go into effect thirty days from next Monday's reading.

This will be the third ordinance adopted by the new city. The first two, the uniform building, electrical and plumbing code, and the interim zoning ordinance were adopted as "emergency" measures effective immediately.

The new ordinance, while it sets up police, public works, building inspector, health and other departments, does not require that they be filled immediately.

These services will be furnished by contractual arrangement with the county, it was pointed out, until they can be furnished by the city.

Action on San Jose's proposed annexation of New Cambrian Park acreage was deferred until the County Boundaries commission conducts its hearing on the proposal next week.

City Attorney Joseph A. Bonacina said it was still his opinion that consent of Campbell would be required.

"It all hinges on the meaning of the word 'Territory' in the government code," Bonacina said. "If the word 'Territory' means 'any parcel of land' and that 'parcel of land' lies within three miles of the city, consent is required," he said.

Mayor Richard W. Morton conferred with officials of the County Central Fire District, Tuesday, in regard to fire protection. After July 1, Campbell Fire District will not function as a district and the city will have the option of contracting with another agency for fire protection as a city, which would mean taking over the district's equipment.

Council, acting on the interim zoning ordinance, accepted applications from Alex Brach, Stella Kane and Joseph DeCarlo concerning building and use permits.

Brach filed for a commercial burning permit on property at the end of Dillon Avenue, owned by V. Campisi, 291 N. San Jose-Los Gatos Road. City Clerk was directed to write to Fire Chief Jack Scott for more complete application on which the council could act.

Stella Kane submitted application through Attorney Martin S. Walsh to conduct a rest home at 230 S. Winchester Road.

Joseph DeCarlo's request was for a use permit to build a two story concrete block building on E. Campbell Avenue next to the Parker House.

Council received an application from Wenzell D. Bee, 422 Bird Avenue, San Jose, for a permit to conduct a furniture and appliance store at 224 E. Campbell Avenue.

Applications were filed with city clerk and council set the date of hearing for May 26.

ARENDS TO HEAD COMMITTEE FOR CHARLES GUBSER

Congressional campaign of Assemblyman Charles S. Gubser in the Campbell area is reportedly rolling enthusiastically with the assistance of a committee headed by Emerson M. "Doc" Aerends, Campbell lumber and hardware dealer.

Gubser headquarters announced Chairman Arends' committee includes Robert G. Guio, who heads finance; and Gerald J. Thompson, Donald P. Sevrens, James W. Bell, John Kohle, H. E. Lillington, Richard Bressani and Robert Free.

EMERSON M. "Doc" ARENDS
. . . Gubser committee chairman

"Charlie Gubser has the vigor, the level-headed views on government, and the earnest integrity we need in Washington," Arends said yesterday. "The way he worked all night in the closing hours of the last legislature to get a $69,000 state appropriation to help set up our new city of Campbell is characteristic of his alert representation of the district."

Arends, who was a student body leader in the Fremont Union high school and San Jose State college before his graduation, heads at present the college alumni association, is vice-president-elect of the Campbell Rotary Club and a member of the Republican Assembly of Campbell.

CAMPBELL KIWANIANS TO SPONSOR GRAMMAR INVITATIONAL TRACK MEET

Campbell Kiwanis Club will sponsor again this year a grammar school invitational track meet May 24 at Campbell Union High School track. Eight grammar schools in the high school district have been invited to compete, among which are Moreland, Union, Cambrian, Almaden, Burbank, Campbell, Moorpark and San Tomas.

Grandstand seating will be available to spectators and Kiwanis members will be assisted in officiating by grammar school and high school faculty.

General chairman for the 400-entry event will be Lloyd Nelson. Budd Levenberg will do the announcing.

There will be three classes with five place awards given. A cup will be awarded for the winner of each class and ribbons will go to each of the first five place winners of each event.

Events to be run off include: 50, 75, 100-yard dashes and relay events.

There will also be high-jumping, broad jumping, softball and football throw contests, plus a hop-skip-jump event.

Campbell Boy Scouts Attend Camporee; Best Year Yet For Camping Excellence

Fifty-four Boy Scouts and their leaders attended the Campbell District Camporee last weekend at the 4-H Club Camp on Soquel Creek in the Santa Cruz Mountains. The boys participated in camping skill contest, swimming, and meeting advancement requirements.

Camporee Chairman Albert B. Smith said, "Although the turnout was not what we expected, this is our best Camporee yet as far as excellence of the camping skill displayed and the fellowship of the Scouts is concerned. Although the judging was stricter, the highest percentage yet of patrols qualified for blue ribbons." Even the weather cooperated to make the 1952 Camporee a success

The Flaming Arrow Patrol of Troop 9, Flaming Arrow Patrol of Troop 33, and the Apache and Eagle Patrols of Troop 34, were given blue ribbons for camping excellence. The Owl and Flying Eagle Patrols of Troop 9 and the Wolf Patrol of Troop 34 were given red ribbons for their display of camping proficiency.

THELMA SOLARI TO CONDUCT 1ST BPWC MEET

The first meeting of Campbell Business and Professional Women's Club conducted by the new president, Thelma Solari, will be held Wednesday, May 14. This is the dessert-business meeting, and it will be held at the Congregational Church. New committees for the year will be announced and the budget presented. Representatives will be appointed to attend the State BPWC convention in Sacramento May 16-18.

BLOOD BANK DUE HERE ON MAY 20

Red Cross mobile blood bank will be in Campbell May 20, at the Methodist Church grounds to accept donations of blood for the armed services, according to a spokesman from the Campbell Community Club, whose members have volunteered labor.

The bank will be open for its life-saving business from 3:30 to 6:30 p.m., and Community Club members intend to contact Campbell residents by telephone in the hope of securing pledges as they did on their previous drive last February. At that time 69 persons donated out of 87 pledges. Eighteen pledges were rejected because of colds or other minor reasons. The drive netted 27 more pints than the September visit of the blood bank.

The present drive will have as chairman, Mrs. Verle Grizzle, assisted by committee members Mrs. Donald Lamb, Mrs. James Muir, and Mrs. George Miller.

Local Grange To Hear Kitchen Music Band Play

Next meeting of the Orchard City Grange will take place May 13 with a variety program slated by Rebekah "Kitchen Band" to furnish entertainment.

The band is made up of "tuned" kitchen implements and promises to make for an entertaining evening.

Miss Glenelle Walton will also sing songs, while Mrs. Lucile Hoerler will be the lecturer for the program.

Mothers Honored By Eastern Star

A Mother's Day program featuring home talent highlighted the May 2 meeting of Campbell Chapter 553, Order of the Eastern Star, in the IOOF Hall. A corsage of red roses was presented to Mrs. Charles De Selle, oldest mother present, and the youngest grandmother, worthy matron Mrs. Earl Buck, received a corsage of baby roses.

Worthy patron Earl Buck introduced distinguished visitors Mr. and Mrs. Neil Nelson, past patron and past matron of Battle River No. 47, Ponoka, Alberta, Canada, who were called upon to say a few words.

Chairman for the event was Mrs. Ellis Rother. She was assisted by Mesdames Glen McCoy, John Duncan, Walter Elkey, Lester Strickler and George Hatlen.

Mrs. Rother announced the musical program. Carolyn Brasch, violinist, offered "Cavatina," and "Canebrake." Bud Feasel recited a poem, "The Perfect Child," and played two accordion solos, "Donkey Serenade," and "Have I Told You Lately That I Love You?" Joline Howard, soprano, sang "For My Mother," and "With a Smile and a Song," accompanied by Nancy Titus. Piano solos, "Coquetry," and "Andalouise" were played by Joyce Hansen. Gilbert Johnson, violinist, presented a selection from Beethoven's Sixth Symphony, and "Fiddle Faddle," accompanied by his teacher, Mr. Carl Lundstrom. Gilbert was encored and pleased the audience with more of "Fiddle Faddle."

Gardeners Advise On Begonia Growth

Tuberous begonias, similar to camellias, roses, and carnations, take well to Campbell growing conditions and should be planted now, according to Campbell gardeners.

They are among the few plants that bloom in total shade provided they have plenty of light. They do not tolerate direct sunshine in the Santa Clara Valley after ten o'clock in the morning. They may be cultivated in pots or hanging baskets similar to those used for fuschia growth.

Superior strains of begonias produce superior flowers, so if you buy, make sure you know the "pedegree," nurserymen advise.

For bedding in the open ground, buy the smaller tubers to start your collection, or buy seedling plants the first year and save the tubers for planting the following year.

The soil mixture used should be loose and with plenty of humus in it. A good mixture for pots and hanging baskets is two parts leaf mold, one part peat moss, and one part sand or sandy loam. A similar mixture should be provided in the top eight inches or so of the bed where begonias are to be grown.

After setting the plants in the soil, water freley to settle the soil around the roots. Water should be done carefully after that according to the weather and the condition of the plants. Too much water rots the plants.

Fertilize the plants to insure good flowers year after year. Fish fertilizers are recommended.

A light feeding once a month will keep the soil enriched and available to the roots.

When you remove flowers from the plant, do not take off the entire stem. Cut the stem half way between the flower and the base. The stem will eventually drop off of its own accord and there will be less danger of fungus diseases.

Gardeners' Work Is Never Done, Says Expert

Local gardeners have their work cut out for them if they want to stay ahead of mildew, toppled plants and wildly growing brances, warns a well-known expert.

The wise gardener will start spraying immediately whether his roses show signs of mildew or disease or not, he says. Mildew is a thousand times easier to prevent than to cure. Spray with calcium polysulphide acording to the foliage strength solution recommended on the label. Lindane can be added to control aphids and other insects at the same time.

The time has also come to stake up delphiniums and chrysanthemums or other tall plants toppled over. Place sturdy stakes alongside the plants and tie often enough to prevent the stems from bending over.

PLANT DISEASES ARE TUNED TO BLOSSOM TIME

Plant diseases are often exactly timed to the blooming period of their host, according to plant pathologists at the University of California College of Agriculture.

No matter how early or late in the spring the trees or shrubs bloom, the fungi are right there at the same time to start a new cycle of infection. These fungi, even when grown in the laboratory all year long with spring-like temperatures and moisture, still wait until the trees outside are blooming before producing spores.

One well-known example is the brown rot of peaches, common in many orchards. "Mummied" fruit, infected the previous year, fall to the ground and are covered over with soil. The fungus is dormant all winter. In the spring the fungus in these mummies grows to the surface of the ground and shoots out its spores just when the peach trees above are at the height of bloom. The wind carries these spores up into the trees and infects the blossoms unless some chemical spray is applied to protect them.

Another example familiar to flower growers is camellia flower blight. In this case, the infected flowers fall to the ground and harbor the fungus all winter. When the camellias bloom the following spring, the fungus shoots forth its spores.

This fungus produces the brown discoloration on the flowers.

Diseased flowers should not be allowed to stay on the ground to infest next year's blooms. Some of these diseased flowers in the soil have been known to produce fungus spores four years after they fall to the grasses.

Prune your lilacs by cutting branches for the house. Choose branches to cut carefully to preserve shapeliness of plant. Give your lilacs a feeding of commercial fertilizer at this time. Watch for oyster shell scale and other scale insects on lilacs and if present, spray the first week in June with summer oil.

Chemonited wood, resistant to attack by termites and dry-rot, lasts from 3 to 5 times as long as untreated lumber.

'ALUMNI'

By Jean Standish

(Readers are invited to contribute to this column.)

Campbell Union High School was founded in 1901 and was first housed with the grammar school and kindergarten in a two-story frame building on the east corner of Rincon and Winchester. (The building was later moved and remodeled and was until recently the residence of Colonel and Mrs. James L. McBride.) There were, in 1901, two teachers at the high school, one of whom was principal and a founder of the institution, J. Fred Smith. Mr. Smith and his family came to Campbell in 1899, from Iowa, where he had taught for ten years in Grinnell Academy, a part of the Iowa Congregational school. He was a graduate of Dartmouth, and before moving to Iowa, had taught in New Jersey and at Fishkill-on-the-Hudson, at Mt. Beacon Academy. His wife was the former Ellen R. Sawyer, a Quakeress. Mr. Smith was principal of CUHS until his decease in 1912. "Orioles" of earliest vintage carry excellent essays and lyrics of his composition.

The children of Mr. and Mrs. J. Fred Smith, Gertrude, Lillian, Harold, Stuart, Stanley, Dorothea and Gordon, all attended Stanford, and most of them were graduated from Campbell Union High school. Stuart and Harold were both of the class of 1902. The "Oriole" of 1903, which pictures the high school turreted frame buildings, among the prune blossoms, and the Campbell Fruit Drying Ground spread with 25,000 trays, features also an essay on "The Lick Observatory," by Harold Smith, and "I Am Going To Be A Man," an essay by J. Fred Smith. That was 1903, the year that President Theodore Roosevelt planted a tree in Campbell, and the planting is pictured in the "Oriole." The tree is still with us, nearly a half century later. The year book of 1906 has an article on "Alumni Doings," which tells that Harold Smith was majoring in history at Stanford, and that Stuart Smith, with one more year's work to do in Stanford's department of Economics, had been advertising manager for the Student Daily and was a member of the Nestoria Debating Society. Stuart became a large machinery salesman. He died in 1938. Harold went to China in 1911 to teach in a missionary school, and remained there until 1929. Meantime, in 1914, he married a Chinese-born American girl. The couple have two children, Gordon and Grace. Harold Smith received the degree of Ph.D. at Columbia and is now teaching at Fisk University, Nashville, Tennessee.

Stanley B. Smith was graduated from Campbell Union High school in 1907. He was assistant business manager of the "Oriole" for that year. The senior trip to Mount Hamilton was by that time an old tradition. In 1907 it was made in two large three-seated wagons. "The horses," says the "Oriole," were of the right size and in good condition for the trip." The seniors wore straw hats, had big rolls of red blankets, a lantern ... "We were," says the chronicler, "a —— looking bunch." The party started out on a Friday at 1:00 p.m. and arrived at Lick Observatory about 4:00 p.m. on Saturday. They spent the night in a deserted house. But of course there were chaperones!

The Class Prophecy for 1907 is in the form of a newspaper supposedly printed in 1923. It refers to Stanley Smith as "Rev. Father Stanley Shortcake Smith." In point of fact, however, Stanley B. Smith was married in 1915 to Miss Isabel Rowell of Fresno, whom he met as a room-mate of his sister Dorothea at Stanford. The Stanley B. Smiths set up housekeeping in a ranch home at Vasona Junction, purchased in 1913 by Mr. Smith, and have lived there ever since. Their children, Frances, Albert, Loren and Lois are all graduates of Campbell Union High school. Mr. Smith is manager of the Orchard Supply Company.

Dorothea Smith, class of 1911, CUHS, became Mrs. Clyde Glass. She has been for many years a librarian for veterans' hospitals and is now librarian at Camp White Domiciliary Center at Medford, Oregon.

Gordon Smith was graduated from Campbell Union High school in 1918. He was Editor-in-chief of the "Oriole," which was mimeographed that year because of war-caused shortages. The year book carried advertisements for "general blacksmithing" and showings at the Liberty Theatre of films starring Norma Talmage, Madge Kennedy and Harold Lloyd. The "Oriole" also told of the war work of the high school; 975 had been raised through shows and other projects, and this sum was generously doubled by the merchants of Campbell, most of the money being contributed by the school to the Red Cross. The "Oriole" said of its editor, "Few voices there are, so strong and so loud—As auctioneer he collects a crowd." Gordon Smith, now employed by the Dodge Automobile Company, lives in Los Altos with his wife Eunice, and their son, Stuart, 10.

(More about CUHS alumni of the Smith family will appear in this column next week.)

Montalvo Show Slated For May

Rare fabrics and glassware, seldom seen outside of musemus, will be discussed at an intimate public display at the Montalvo estate near Saratoga on Sunday afternoon, May 4.

The unusual lecture-exhibit will be the opening event of the 1952 series, sponsored by Friends of Montalvo, that will bring musical, dramatic and art events to the palatial villa and its outdoor theater during the coming six months of summer and fall. It will be the first season that the series will not be clouded by uncertainty, as it was just a year ago that the San Francisco superior court, finally rejecting claims of the James D. Phelan heirs, cleared Montalvo's future as a cultural center for the people of California in perpetuity.

Mrs. Charlotte Vickery, internationally known for her knowledge of historic fabrics, will discuss "Fabrics Against the Web of History." Many of the irreplaceable laces, brocades, damasks and hand-loomed tapestry she will display were inherited from her father, a Parisian collector.

Mrs. Harold Ramsdell of Los Gatos, an authority on glass and ceramics, will answer questions on the glassware display. George Denison and Frank Ingerson will also assist visitors at both exhibits.

Taxes Doubled In Ten Years

Property tax bill in Santa Clara county averages $71.66 per person for the current fiscal year, compared with $34.33 ten years ago, California Taxpayers' Association said today.

Total property tax bill in the county reached $23,726,926 for 1951-52, compared with $6,6-8,087 for 1942-43.

Included in the total property tax bill in the county are levies for the county government, and for the cities, public school districts, and the special districts in the county.

Statewide, the property tax bill for 1951-52 averages $75.96 per capita for the 11,236,900 people in the state at January 1, 1952, compared with $41.42 per capita for the 7,704,700 people in the state at January 1, 1943.

Total property tax bill in the state reached $853,592,808 for 1951-52, compared with $316,817,925 for 1942-43.

"Property taxes are only one of the myriad of taxes which the American people are paying today—taxes which are taking a third of thir incomes.

"Regardless of what governmental unit spends the taxpayers' money—be it the smallest district or the gigantic federal government—the need today is for strict economy," the Taxpayers' Association said.

SERVICE NOTES

Cpl. James D. Hughes, son of Mr. and Mrs. J. R. Hughes, Route 1, Campbell, is returning home under the Army's rotation policy after serving with the 7th Division on the Korean fighting front.

During recent action the division has been probing Communist positions in the mountains north of the 38th parallel. The 7th has been playing a major role in the Korean war since landing at Inchon in September 1950.

A jeep driver in the 32nd Infantry Regiment, Corporal Hughes entered the Army in January 1951. He has been awarded the Combat Infantryman Badge and the Korean Service Ribbon with one campaign star.

Hughes attended Campbell High school.

ADVANCED TO MINEMAN SECOND CLASS

William F. English, USN, son of Mr. and Mrs. William G. English of 800 Lovell Avenue, has recently been advanced to mineman, second class, while on duty with Fleet Aircraft Service Squadron 120 in Japan.

English enlisted in the Navy on September 10, 1958, and received his recruit training at the U.S. Naval Training Center, San Diego.

A graduate of the U.S. Naval Mine School at Yorktown, Va., English works in Fleet Aircraft Service Squadron 120's mine detachment at the U. S. Naval Air Station, Atsugi, Japan.

WILLIAM O. BLOCK PROMOTED TO SGT. 1-C

William O. Block, son of Mr. K. F. Block of 190 Second Street, Campbell, was recently promoted to sergeant first class while serving with the 40th Infantry Division in Korea.

The division, a California National Guard unit, is holding a sector of the central Korean front south of battered Kumsong. It was transferred to Korea last December after having been part of the security force in Japan since April, 1951.

SFC Block, who entered the Army in October, 1950, is a member of a medical company in the division's 223rd Infantry regiment.

To Learn Of Art

Mrs. Ramona Fleeson, Santa Clara County Art Supervisor, will speak on "The Psychological Aspects of Art" today at the meeting of the San Tomas PTA unit, to be held at San Tomas school at 2:30.

A summer recreation program for the school will also be discussed at the meeting.

WHITE CLOVER BEST LAWN

White Clover is the best of the lawn clover group. A white blossom will occur when it is allowed to grow too long. It is hardy, but requires regular watering and is good as a soil builder since legumes take nitrogen from the air and put it into the soil. Biggest objection to white clover is that the leaves are tender and stain clothing, and blossoms attract the bees. It is an excellent filler for old, tired lawns.

Poppy Posters Awarded Prizes

Winners of the Poppy Poster contest, sponsored by the American Legion Auxiliary and conducted in Campbell Union High school were announced this week. First prize was won by Leslie Hazleton of 19136 Propscet Street, Cupertino; second prize went to Jackie Davis of 265 W. Campbell Avenue, and third prize winner was Elizebeth Ribble of 195 Poplar street. Awards of merit were earned by Bob Shockley, Alice Anne Jones, and Nada Stepovich.

Mrs. William Burch was chairman of the contest committee, and judges were Eugene Barnes, Ray Fish and Rex Kaber. Awards were made on the basis of neatness, accuracy and the carrying out of the poppy message.

Poppies are made by veterans in hospitals, who receive pay for making them. They are sold by the American Legion Auxiliary, and the proceeds from their sale are used for rehabilitation of veterans.

Poppy Day will be May 23. The 55 posters entered in the contest will be displayed in the windows of local merchants.

VFW POST PLANS POPPY SALE IN CITY OF CAMPBELL

Plans for the local Buddy Poppy sale were made at the regular meeting Tuesday evening of the Lt. Byron C. Lanphear Auxiliary Post at Country Woman's Club house, with Mrs. Adaline Gagliasso presiding.

Members of the Auxiliary and Post will sell poppies May 24 on the streets of Campbell, a spokesman announced. All money received from the poppy sale will go toward Veterans Relief, or for the maintenance of the VFW National Home at Eaton Rapids, Michigan, for orphans of veterans.

Mrs. Ralph Jones, chairman in charge of the local auxiliary sale, said the motto for the poppy sale is "Honor the Dead by Helping the Living."

Mrs. Ralph Jones was elected trustee, and Miss Ethelyn Gagliasso color bearer of the San Mateo-Santa Clara County Council, Saturday, May 3, at Palo Alto. Those attending from the local auxiliary were Mrs. Adaline Gagliasso, Mrs. Bill McCurdy, Miss Ethelyn Gagliasso, Mrs. Ralph Jones, and Mrs. Charles Chubb.

Sunday, May 11, the 12th District meeting will be held in San Jose, which local members plan to attend. Mrs. Charles Chubb is the district's historian. The first place winner of the Essay contest for the district will be awarded a check for $25. Plans for celebrating the second anniversary of the local VFW post and Auxiliary are under way for June 17 and will soon be announced, a spokesman stated.

BRUCE ALLEN ADDRESSES LOCAL KIWANIANS

Bruce Allen, Republican candidate for assemblyman for the 29th district, addressed local Kiwanians at a joint meeting Tuesday with Los Gatos Kiwanians at Campbell.

The San Jose attorney and civic leader spoke before the Campbell-Los Gatos Kiwanis joint luncheon in Cambpell Tuesday, May 6, and before the San Jose Junior Chamber of Commerce candidates' meeting the evening before.

"Control of California's water spells control of California's destiny," Allen said. "That control is safe only in the hands of the people of this state, and not in the arbitrary hands of a distant Washington bureaucracy." He detailed activity of the federal bureau of reclamation in seeking to extend and perpetuate its control of the Central Valley and all other available water supplies in violation of original agreements with the state.

"California must regain control of affairs that are the proper concern of the state itself," said Allen. "We must turn back the ambitions of a top-heavy, wasteful and arbitrary federal bureaucracy which presumes to stand above our legislatures and our courts."

Joseph Dahl was chairman for the day. Next week Kiwanians will hear a musical program by the high school orchestra under the direction of Frank Triena, high school musical director.

Cambrian Tots Now Signing Up

Pre-registration for kindergarten children of Cambrian Elementary School is now under way. Children must be 4 years, 9 months of age as of September 1, 1952 to be eligiblegible for Kindergarten in the fall, according to D. M. Bagby, district superintendent.

At the time of registering children, parents are required to have with them some sort of verification of the child's birthdate. A baptismal certificate or photostatic copy of the birth certificate will be accepted. Along with this, they will be aksed to supply as much information as possible concerning the child's health and immunization history, Bagby said.

Registration will continue until the end of this school year.

Mrs. NEAL KENNEDY was honored at a stork shower on April 17 by JOLINE HOWARD, at the Howard residence on North Milton Avenue. A large stork centered at the luncheon table, and safety pin storks topped the desserts. Feting Mrs. Kennedy were JOLINE and SANDRA HOWARD, BOBBIE ENOCHS, KATHARINE JONES, SELMA KNOWLES, PAULINE CLEVELAND, LEE SMITH, GILDA MAZZANTI, Mesdames ROBERT LOVEDAY, JACK WILLIAMS, CHARLES KEESLING and LBEN HOWARD.

Theme for the coming year's program for San Tomas PTA was discussed last Tuesday evening at a meeting at the home of Mrs. B. W. CREIGHTON on San Tomas Road. Mrs. Creighton's guests were Mesdames L. W. HANSON, CHRIS MILLER, A. H. RAYMOND, and Mr. MARC SWENGEL.

Present at Saturday's luncheon meeting given by the Martha Association, Order of the Eastern Star, at Hotel Lyndon in Los Gatos, were Mesdames THOMAS A. DAUGHERTY, L. HENDRICKS, ARTHUR AKER, VERNON SUESS, O. L. KAUFMANN, A. C. CURRIE, DAVID RIBBLE, EARL BUCK and WALTER ELKEY. Each guest received a potted fern plant.

Surprise Sunday visitors at the E. Campbell Avenue home of Mr. and Mrs. R. B. EDWARDS were Mr. and Mrs. C. Williams of San Leandro and Mr. and Mrs. KENNETH EDWARDS and children, SANDRA and ROGER, of Felton.

Mrs. ELLIS ROTHER attended the recent luncheon meeting of the Peninsula Esther's Association, Order of Eastern Star, at the Chukker Club.

Mr. and Mrs. MARION ALLEN have announced the engagement of their daughter, MARILYN, to ANTHONY ALVES of San Jose. The bride-to-be is a senior at Campbell Union High school, and her fiance is an alumnus of CUHS, now employed locally. No date has been set for the wedding.

Introduced at the April gathering of Fraternity Chapter, OES, in Masonic Temple, San Jose, were Mesdames EARL BUCK, CHARLES HANCOCK, F. W. MITCHELL, RALPH E. SCHAEFLE and DAVID RIBBLE.

Mrs. ZENO HALLETT, chairman of all exhibits for the seventh annual Homemakers' Forum to be held today in Los Gatos, was hostess in her Redding Road home last Friday, at a meeting of the exhbiit committee. Guests were Mesdames E. J. BAILEY, co-chairman; DONALD ROBERTSON, P. BOOTHE, and MARY STARIN.

"How to refinish furniture in the modern or in traditional style," was the lesson project of the Cambrian Home Extension Club meeting held April 23 in the Cambrian School. Project leaders were Mrs. ELSIE BALDINGER, Mrs. VIVIEN GOODE and Mrs. JOHN WHITE. Refreshments were served by a committee including Mesdames RENE MONTREZZA, GEO. STROOPE, EDGAR W. BANKS and L. M. RAPHELD.

Attending the Kappa Phi Mother-Daughter brunch held last Sunday at the First Methodist Church of San Jose were Mesdames LBEN HOWARD, WILLIAM B. ENOCHS, LELAND JONES, and S. SEIFERT and the Misses JOLINE HOWARD, BOBBIE ENOCHS, KATHY JONES. Kappa Phi members entertained their mothers with a fashion show of clothes dating from 1860. One model displayed her mother's wedding dress, styled in 1925. A musical program was presented by DOREEN FARR, who sang "That Wonderful Mother of Mine," and "When I Have Sung My Songs," and MARY RUTH MORRIS, who played violin selections.

Miss JANIS HENLEY celebrated her eighteenth birthday at dinner at the Nut Tree near Vacaville last Sunday. At the gala dinner, Janis was presented with an initial setting of Heirloom Sterling in the Damask Rose pattern and an Irish linen tablecloth and napkins. Celebrants were JANIS; her brother, JERROLD; her parents, Mr. and Mrs. WILLIAM C. HENLEY, and her grandparents, Mr. and Mrs. FRANK PIMENTEL of San Jose.
